

Information on accessing InSimu

1) Access for students:

Students need to download the InSimu Patient app from the stores:

- [App on Google Play](#)
- [App in App Store](#)

Further they request for access codes from the Library of the Medical Faculty of Palacký University, please contact Dr. Šubová, see [this page](#).

1 student can apply only one code.

The codes give access until 12/09/2021.

Guide on how to apply code: [Instructions in PDF format](#) or check our [FAQ page](#).

2) Access for educators:

Educators can request their access by following these steps:

1st step: [Sign up here and create an InSimu account](#).

2nd step: Request access to the educator portal by sending us a "[Contact Support](#)" [message here](#).

3rd step: They can also apply access to the student app by verifying their university email [on this link](#).
